1.	The Investment Agreements Series – The Share Subscription Agreement Link – https://paystack.shop/pay/8e-o693-on	This course provides a practical introduction to the Share Subscription Agreement and its role in structuring equity investments. Participants will examine why subscription agreements are used, how they operate within investment transactions, and how they help define the rights, obligations and protections of investors and companies. The course will cover the key elements of a Share Subscription Agreement, including the subscription process, investment conditions, investor protections, representations and warranties, obligations of the parties and negotiation considerations. Participants will develop the ability to review, assess and negotiate subscription agreements with greater confidence and commercial awareness.	1.5 hours	Thursday, 23rd July 2026	Mary Ekemezie	N15,000
2.	The Investment Agreements Series – The Share Purchase Agreement Link – https://paystack.shop/pay/dzdjl7gug	This course provides a practical understanding of the purpose, structure and mechanics of share purchase agreements, including how they allocate risk, protect parties' interests and provide the framework for completing an acquisition. The course will develop participants' ability to review, draft and negotiate share purchase agreements, with a focus on managing transaction risks and aligning legal provisions with the commercial objectives of the parties.	1.5 hours	Friday, 24 th July 2026	Mary Ekemezie	N15,000

5.	Introduction to M&A Transaction Structuring – Part 1 and Part 2 Link – https://paystack.shop/pay/cdrmz86ut3	This two-part course (facilitated over two days) provides a practical framework for advising on M&A transactions, covering the due diligence process, transaction documentation, negotiations and the key steps required to complete an acquisition or merger. Over the two days, participants will examine the differences between vendor, seller and purchaser due diligence, including scope, key considerations and strategic objectives. The course will also cover the drafting and negotiation of transaction and ancillary documents, with particular focus on conditions precedent and subsequent, indemnities, representations and warranties. Through practical analysis, participants will develop the skills required to support and advise their clients.	2 hours	Thurs & Fri 24 th & 25 th September 2026	Mary Ekemezie and Joseph Eimunjeze	N30,000
6.	Understanding the purpose of Drafting and Negotiating a Formal Legal Opinion Link – https://paystack.shop/pay/l28772kycw	This course covers the purpose, structure, and drafting of opinions, with practical tips on negotiation and liability management. This course will introduce participants to: • the concept of the formal legal opinion; • its purpose, scope, and content; • its addressees and beneficiaries; as well as strategies for • limiting liability; while distinguishing it from the legal opinion/advice given in response to enquiries from clients.	1.5 hours	Wednesday 30th September, 2026	Mary Ekemezie	N15,000
